Course notes

Standard PDGA OB rules apply unless otherwise specified. Take 1 stroke penalty and play from nearest point to where the disc was last inbounds.

Where a road is used as OB if there are bolards the OB is taken from the course side of the flat horizontal beam. If there are no bolards it is the tarseal edge.

Where ropes are used as OB lines if they end short of another OB line, they are deemed to continue in the direction of the last section until they intersect with another OB boundary eg. The rope around hole 5 basket will continue in a virtual line through the bamboo to the stream, players need to use their best guess for this, benefit of doubt goes in favour of the player.
