What benefits can we offer you?

While Disc Golf may not be an expensive sport, we are aware that an ability to reduce costs and potentially make some money on your journey will be a major benefit to you. With this in mind, we offer you the following:

> Discounted Player Allotment *

For team members extending their membership with us into a new season, you will have the opportunity to get 35% off your first disc order with us each year with the code TEAM-RPM-PARLIAMENT (case sensitive) in the checkout. There is no maximum to how many discs you can order to take advantage of this. This is the perfect opportunity to refresh your bag for the new season, share our brand with your community, or even make some profit by selling the discs on at RRP. Once you have used the coupon code, you won't be able to use it again until the following disc golf season.

> Team Uniform Shirt *

We will be giving a free uniform shirt for Team members who order an allotment over \$300 NZD (roughly \$180 USD), and otherwise offering the option to purchase the uniform shirt/s at \$40 NZD (roughly \$24 USD).

> Parliament Discount Structure for RPM Discs

Discs on our RPM Discs website will be discounted by 25% so long as you are a member of Team RPM Parliament and are logged in. We have US stock set aside for Teams in the United States. Ultimo in Europe have their own deals for Team RPM members.

Other discounts include 20% off custom discs, disc golf bags, starter packs and RPM DiscMates and 15% off on RPM Helix baskets.

> RPM Discs Event Discount

We will discount event fees by \$10 for any RPM Discs event you attend (excluding Rapture events).

> Store Credit Allocation

If you place in the top 5 of a PDGA tournament (B tier or higher), you will be able to earn RPM store credit. Submit event results to the [submit results form here](#). See page 9-10 for more information.

> Team Achievements & Player Spotlights *

Any PDGA / Metrix / Udisc events that you placed top 5 and [submitted](#) to the website will be acknowledged in our monthly Team Achievements social media posts. Outstanding achievements will feature you in a Player Spotlight. See page 6 for more information.

> Eligible for fundraising consideration

If you require funding to support your Disc Golf endeavors then you can apply for [fundraising consideration](#). We want to support you.

Being a part of the Team RPM family means you also have access to advice from top players who have “been there and done that”. We are happy to help you with coaching tips, contacts, and the opportunity to promote to our top tier team: Crown.

We welcome and encourage you to join our [Team RPM Facebook group](#) as well as [Friends of RPM Facebook group](#), so you can be part of the online community.

Team announcements will be made through the website, our [Team Instagram](#) and our [Team Facebook group](#).

How can you help us? – Our Expectations

Playing Tournaments: We expect Parliament members to compete in a minimum of ten tournaments a year at intermediate division or higher (exceptions will be granted to members in locations where there are not as many available events). The more you play, the more exposure we get. **Make sure you wear the Team RPM gear while on the course so people know you’re one of us!**

* See [Team Parliament](#) page for more information

Bagging RPM Discs: A sponsorship with us does not require you to exclusively bag RPM Discs, although we require that you **bag a minimum of 6 RPM molds**. We have a great disc lineup with many disc types to choose from. For advice email us at team@rpmdiscs.com.
View our current disc lineup here: [RPM Disc Golf Discs](#)

Behaviour: **We want positive representation!** This means that while you are bearing the Team RPM logo that your behaviour upholds our good natured reputation. Make other people feel the RPM family vibes!

Promotion: What we care about is that you love our brand and our products. **We want our players to advertise our brand to others on the course and on social media.** We want you to be proactive! We recommend you try to make 1 Instagram post per tournament you play. We believe this to be a reasonable request for our competitive team.

On Disc Golf related social media posts, we want you to tag us: #rpmdiscs, #itsinournature, #teamrpm. We love seeing posts of new RPM discs you have acquired or short videos of you throwing. We appreciate disc reviews and overall positive exposure for our brand.

If you're an organizer, you can plan events that we can sponsor, and we can send you discs to sell to people or to have as prizes. If this interests you, please email us at info@rpmdiscs.com.

We want to reach out and get every Disc Golf store across the world selling our products, therefore it is greatly appreciated when you put us into contact with your local disc golf retailers so we can get them to sell RPM to more people. We offer a finders fee for the initial sale typically between 5% and 10% depending on the Wholesale rate they come in on.

Submitting Results: One of the benefits of being a part of Team RPM is that you are rewarded for placing top 5 or higher in PDGA/Metrix events (B tier and higher). In order to receive these benefits, it is your job to [submit your results through the website](#) so that we can properly allocate you what you've earned at the end of the year. If you do not submit your tournament results, you will not receive any store credit benefits at the end of the year. Please bear this in mind and make sure you are proactive on this front!

Submitting results as soon as you have finished a tournament means that we can feature you on the monthly Team Achievement posts if you place in the top five.

Applying for Shoutouts: If you have an event rated A or Major tier coming up, make sure to [apply for a shoutout](#) so that we can hype up the event and support you on social media.

We will use our RPM Discs website to email you important information regarding your sponsorship. For any individual matters, we will contact you via your preferred method of contact.

Player Spotlight

Team RPM members have the opportunity to get a player spotlight. Player spotlights are rewarded for outstanding achievement in tournaments, for example winning multiple 1st places in a month, winning an A tier division, placing top 5 in a Major tier division. Player spotlights are posted on our Instagram, Facebook and website blog. [See an example of a player spotlight here.](#)

Sponsorship Timeline

We will maintain the team roster throughout the calendar year. We will review each individual team members' progress towards the end of the year and announce next season's roster by the start of January. For active members staying in the team after our end of year review, you will gain automatic access to the team for the following year, although you will need to renew your contract with us.

If you do not meet the criteria for Parliament at the end of the year, you will be moved to Tribe. If you do not meet the criteria for Tribe at the end of the year, or violated the code of conduct, your sponsorship with us will be suspended and you will need to reapply.

Sales of RPM Discs Product

Being a sponsored player of RPM Discs, you have the opportunity to make a profit on the side by buying discs from RPM Discs at your Crown discounted rate and reselling them at the recommended retail price. We ask that if you choose to do this, that you respect and recognize other distributors at events who are offering RPM Discs. Should you wish to introduce RPM Discs to a new prospective retailer, we will pay you a finder's fee based on their initial order. Please note that your team discount rate only applies to RPM Discs in New Zealand and our Team stock in the United States. Ultimo in Europe also have their own deals for Team RPM members.

Hosting Events

We would love to be involved with any tournaments, clinics, have a go days, or fundraisers that you are organizing. We can offer discs/vouchers (etc.) at subsidized rates to assist. Please email us with your interest at info@rpmdiscs.com.

Code of Conduct

Given the nature and purpose of the sponsorship which is based on competitive Disc Golf, we ask our team members to conduct themselves in accordance with the guidelines set in the [PDGA competition manual](#). In addition to this, we ask that you are respectful to other players and companies outside of competition as well. Work to uphold our positive reputation.
